

The Mortgage that Gives Back: The Ottawa Chamber of Voluntary Organization's New Fundraiser

The Ottawa Chamber of Voluntary Organizations (OCVO) is excited to tell you about the Community Builder Mortgage™, a unique fundraising opportunity available through our relationship with Alterna Savings.

We understand that your home is your largest investment and your biggest expense, so you demand an excellent mortgage. The Community Builder Mortgage is a 3 or 5-year mortgage that features a fantastic, no-haggle fixed interest rate.*

You'll also get a flexible payment schedule and the option to pay off your mortgage faster. Alterna Savings will also pay for your mortgage switch costs†, if applicable. On top of all this, you'll benefit from Alterna Savings' friendly, professional and knowledgeable service.

And, when you choose a Community Builder Mortgage, OCVO receives an honorarium from Alterna Savings for 0.40% of the mortgage amount. For example, a mortgage of \$200,000 will earn \$800 for OCVO.‡ Who would have thought that mortgages could help us raise money more easily than traditional fundraisers like chocolate almond sales, car washes and walk-a-thons?

OCVO has already registered with Alterna Savings for the Community Builder Mortgage Program. Now, our job is to promote it to you. That's it. So how much money can OCVO raise through this program?

With the Community Builder Mortgage you get a mortgage that can't be beat and you're supporting OCVO. Definitely a win-win situation! And, as you'd expect, you can rest assured that the process is completely confidential. Once we tell you about the benefits of the Community Builder Mortgage, the rest of the process is between you and Alterna Savings.

Interested? It's easy—just call Brenda Gallagher at 613-841-7163 and we will provide you with the required Letter of Introduction. Then, you just have to take the letter with you to any Alterna Savings branch when you'd like to apply for your Community Builder Mortgage.

*Standard Alterna Savings lending criteria applies. Cannot be combined with any other promotions or offers. Some restrictions apply.

†Some restrictions apply; please contact Alterna Savings for complete details.

‡Honorarium will only be calculated and offered on the first \$250,000.

Alterna Savings is a full-service financial co-operative that is committed to supporting the well-being of our members, employees and communities. We promote community economic development through micro-lending initiatives, encourage our members to be financially knowledgeable, give back through many charitable activities and continually strive to be transparent at every level of our operation.

Based on co-operative principles, we put people and communities first.
